

# THE BROWN BAG LUNCH & LEARN SERIES

Bring your lunch to Birmingham Botanical Gardens and join us for FREE informational seminars.  
11:30-12:30 p.m., no reservations required. Drinks and dessert provided.

**MAY 13**

## **Who, me? Garden???**

Debunking your preconceived notions of what's involved in gardening.

**MAY 27**

## **Luscious Lawns**

Growing and maintaining a healthy lawn takes less effort than you might think.

**JUNE 10**

## **Drink Your Garden**

Savor the fruits of your labor. Use botanicals to enhance flavor and add depth to create the perfect cocktail.

**JUNE 24**

## **Ideas to Actualities**

Visually inspired? Discover how to transform that look to fit your space.

**JULY 8**

## **The Terrific Trio!**

Compost, soil and mulch – unearth what they are and how to use them properly.

**JULY 22**

## **The Understory**

No sun, no problem! Learn to love the shade and the plants that grow there.

**AUGUST 5**

## **What's Bugging You?**

The ACES Diagnostic Plant Lab helps identify problems and give cures.

**AUGUST 19**

## **Curb Appeal**

Intentionally add year round color, interest, and charm to your landscape.

**SEPTEMBER 2**

## **Tools of the Trade**

See what tools the pros use and how to maintain them for peak performance.

**SEPTEMBER 16**

## **Backyard Habitats**

To create a sanctuary for the birds and the bees, start by adding flowers and trees.

**OCTOBER 7**

## **Overgrown & Out of Control**

Find out how and when to whack it back, cut it down and clean it up.

**OCTOBER 21**

## **Let There be Light!**

Enhance beauty, provide safety and enjoy your outdoor spaces after dark.
